Cembrit Deco

CEMBRIT DECO

**Fine sanding lines.
Delicate structure.
Sustainable.
Fire resistant.
Versatile.**

Cembrit Deco features a rustic coated surface for ventilated facades. The directional grain of the board is subtly visible through the paint like the veneer of your living room furniture - adding a smooth yet natural look to the painted Cembrit Deco board.

The combination of the delicate structure and the true nature of Cembrit's fibre cement boards - requiring only limited maintenance over time - makes the Cembrit Deco board a decorative choice for your facade.

Cembrit Deco is available in colour options matching the current building trend.

Cembrit Deco

Properties

Length	2500/3050mm
Width	1192mm
Thickness	8mm
Weight	12.8kg/m ²
Surface	Painted

Standard colours

Cembrit Deco comes with painted edges.
In case the boards are cut on-site, the edges must be repainted using the enclosed paint kit.

The representation of colours may deviate from the original product colours.
Please contact your local Cembrit for product samples.

The ventilated facade

The facade boards from Cembrit not only add personality and quality. They are the perfect match for a ventilated facade. A ventilated facade helps minimise temperature variations in the wall throughout the year. Sunlight and heat are reflected away from the building in the summertime, and insulation behind the facade boards reduces heat loss at lower temperatures. At the same time, the natural ventilation passing through the structure minimises condensation. The ventilated facade has a range of additional benefits:

- Protection of the underlying structure against weather
- Drainage of rain water away from the structure
- Low weight facade enables energy-efficient design
- Thinner wall structure as the facade will take up less space
- Flexibility in design with horizontal or vertical joints and board-orientation
- Low maintenance
- Long lifespan

Warranty

Cembrit offers a 10 year warranty. More detailed warranty conditions are available on request from your local Cembrit offices.
