DECLARATION OF PERFORMANCE

No. 0141-BovePV-2013-07-01EN

1. Unique identification code of the product-type:

Repair strip 05BCU1985-1R

2. Type, batch or serial number or any other element allowing identification of the construction product as required pursuant to Article 11(4):

Repair strip 05BCU1985-1R

3. Intended use or uses of the construction product, in accordance with the applicable harmonised technical specification, as foreseen by the manufacturer:

Repair strips are intended to secure slates.

4. Name, registered trade name or registered trade mark and contact address of the manufacturer as required pursuant to Article 11(5):

Bové Draadproducten B.V.
Postbus 70
5370 AB Ravenstein
Nederland

5. Where applicable, name and contact address of the authorised representative whose mandate covers the tasks specified in Article 12(2):

Not applicable

6. System or systems of assessment and verification of constancy of performance of the construction product as set out in Annex V:

Not applicable

7. In case of the declaration of performance concerning a construction product covered by a harmonised standard:

Not applicable

8. In case of the declaration of performance concerning a construction product for which a European Technical Assessment has been issued:

Not applicable
9. Declared performance

Notes to the table.

1. Column 1 shall contain the list of essential characteristics as determined in the harmonised technical specifications for the intended use or uses indicated in point 3 above.

2. For each essential characteristic listed in column 1 and in compliance with the requirements of Article 6, column 2 shall contain the declared performance, expressed by level or class, or in a description, related to the corresponding essential characteristics. The letters ‘NPD’ (No Performance Determined) shall be indicated where no performance is declared.

3. For each essential characteristic listed in column 1, column 3 shall contain:

(a) dated reference of the corresponding harmonised standard and, where relevant, the reference number of the Specific or Appropriate Technical Documentation used;

Or

(b) dated reference of the corresponding European Assessment Document where available and reference number of the European Technical Assessment used.

1. Unique identification code of the product-type:

Nail 01BCU1985-1

2. Type, batch or serial number or any other element allowing identification of the construction product as required pursuant to Article 11(4):

Nail 01BCU1985-1

3. Intended use or uses of the construction product, in accordance with the applicable harmonised technical specification, as foreseen by the manufacturer:

Intended to secure slates on the roof. Can also be used for other purposes in the roofing industry for connecting products with each other.

4. Name, registered trade name or registered trade mark and contact address of the manufacturer as required pursuant to Article 11(5):

Bové Draadproducten B.V.
Postbus 70
5370 AB Ravenstein
Nederland

5. Where applicable, name and contact address of the authorised representative whose mandate covers the tasks specified in Article 12(2):

Not applicable

6. System or systems of assessment and verification of constancy of performance of the construction product as set out in Annex V:

Not applicable

7. In case of the declaration of performance concerning a construction product covered by a harmonised standard:

Not applicable

8. In case of the declaration of performance concerning a construction product for which a European Technical Assessment has been issued:

Not applicable
9. Declared performance

Notes to the table.

1. Column 1 shall contain the list of essential characteristics as determined in the harmonised technical specifications for the intended use or uses indicated in point 3 above.

2. For each essential characteristic listed in column 1 and in compliance with the requirements of Article 6, column 2 shall contain the declared performance, expressed by level or class, or in a description, related to the corresponding essential characteristics. The letters ‘NPD’ (No Performance Determined) shall be indicated where no performance is declared.

3. For each essential characteristic listed in column 1, column 3 shall contain:

(a) dated reference of the corresponding harmonised standard and, where relevant, the reference number of the Specific or Appropriate Technical Documentation used;

Or

(b) dated reference of the corresponding European Assessment Document where available and reference number of the European Technical Assessment used.
